

An illustration of a diverse group of people in a crowd. In the foreground, a woman with long black hair and a brown dress is talking to a man in a blue shirt with a yellow collar. To the right, a man in a light blue sweater and a woman in a yellow top and blue pants are walking. In the bottom left, a man in a red shirt and a man in a light blue shirt are walking together. The background shows faint silhouettes of other people. A large, rounded rectangular text box with a dashed yellow border is centered in the image.

Los hombres con al menos 3 parejas a lo largo de su vida, tienen **4.5 veces** más probabilidades de contraer el **VPH**, en comparación con aquellos con menor número de parejas en su vida.
